Our goals are to teach you to 1.) provide basic care for trees and identify “green teams” around the city who will help care for trees; and, 2.) identify some common trees and tree problems so you can help us be the eyes and ears for our city’s trees; and 3.) determine next steps. For information, to register for a walk, or to care for our street trees or a tree inventory team or to help develop policies and plans to protect and maintain our trees in Cambridge, call 547-1413 or fax 876-8991 or email. Please don’t forget to give us your name, address, telephone number, email if you have it, and interests. Thanks!
