Order #9

Attention: Chief of Police

Dear Sir:

We the residents of the following streets are very concerned about the safety of ourselves and the school children (some of our own) who do have to cross the streets that drivers of automobiles are not stopping at the appropriate stop signs at the intersections of Vassal Lane and Walden, at the intersection of Granville Road and Vassal Lane and at the intersection of Fayerweather Street and Vassal Lane, and also at the intersection of Saville and Granville Rd. and Fayerweather St. and Saville St.

There have been several almost accident incidents at the above intersections already. Please have this corrected before there are actual accidents from people not stopping at the intersections as mentioned above. The cars and Trucks are not traveling at a residential speed through these streets.

Thank you and please look into this situation ~~and~~ as we are also having cars that cut off of Concord Avenue onto the above following streets and drive very fast during the morning rush hour, to get to Huron Avenue. (They are cutting off Concord Ave., onto Fayerweather St., and Chilton and Alpine onto Vassal Lane). ALSO WE ARE AFRAID AND NERVOUS ABOUT THE TOW TRUCKS THAT ARE ALSO CUTTING THROUGH THE ABOVE ST.S ONTO Vassal Lane.
We remain as the following:
