MEMORANDUM

May 8, 1986

To: City and Town Councils
Boards of Aldermen

From: Executive Secretary
Massachusetts Municipal Councilors' Association

Subject: Spring Conference
Saturday, June 7, 1986
Hyannis, Cape Cod

Registrations for this Conference are low. At the present count, we cannot justify asking the candidates for Lieutenant Governor to speak at luncheon, let alone pay the fees of the outside speakers who are to lead the workshops.

The hotel has agreed to extend its deadline for reserving our block of rooms to May 16th. If any of you have been tardy in responding, this is your last chance.

It is also a warning to those who were thinking of deciding at the last minute and being a walk-in. You may arrive to find no Conference.

We will notify all those who register in advance if we cancel. Obviously, we cannot notify people who haven't signed up.

Thank you for your attention and cooperation.
