Dear Members:

We, the members of the Portuguese Liberty Club & Band Inc., a fraternal and charitable organization in this city for the last sixty nine years, urge you to support Mayor Alfred Vallucci's resolution to name the new fire station in honor of Benedict M. Carvalho, USN, who was killed in action in the defense of his country and for his brother, Firefighter George A. Carvalho who died in 1971 of injuries sustained in the line of duty while a member of the Cambridge Fire Department and also a veteran of World War II.

The Portuguese populace of this fair city has and will always be advantages to the betterment of this city's government.

Naming the new fire station in honor of these two outstanding and courageous citizens would be an honor to the Portuguese Americans of this city and also in a very small way say, "We the citizens of the City of Cambridge will never forget you and other boys of this city who gave their lives in defense of this great nation."

Respectfully yours,

ARTHUR G. COSTA
Secretary
