MORSE SCHOOL
40 GRANITE STREET
CAMBRIDGE, MASSACHUSETTS 02139

January 22, 1995

Mayor Kenneth Reeves
795 Massachusetts Avenue
Cambridge, MA. 02139

Dear Mayor Reeves:

The Stop & Shop Company, through their agents Pat's Towing, have been removing legally parked cars from a public street, Riverside Road. Both companies have been contacted on a number of occasions over the past few months but for whatever reason they continue to illegally take cars.

The staff at the Morse School, although desperately in need of street parking, have been intimidated to the point that they no longer use the street. This is also a City problem because the school is often used for public meetings and elections.

Would you please help us regain the use of this public street? We believe that Stop & Shop and Pat's Towing need to be put on notice that their actions will not be tolerated. It would also be helpful if the streets boundaries were properly marked with painted lines.

We thank you for any help or suggestions you may provide us.
