The Honorable Board of Mayor and Aldermen,

City of Cambridge, Mass.

We, the undersigned, respectfully petition your honorable board, to have Binney street watered between Fifth and Sixth streets. It is watered at the present time between Third and Fifth streets, and if the watering cart continued by our premises, located between Fifth and Sixth streets, it would be a great convenience and save us lots of annoyance and trouble from the dust, which is especially detrimental to our business.

Respectfully submitted,

Alden Speare.
