City of Cambridge

In City Council

October 25, 1921.

ORDERED:

That the New England Telephone and Telegraph Company of Massachusetts and the Cambridge Electric Light Co., both having locations in certain of the streets of the city, be and they are hereby granted a joint or identical location for, and permission jointly to maintain a line of poles already existing, and their respective wires and fixtures to be placed thereon, together with such sustaining or protecting fixtures as the business of either of said companies may require, in the public way or ways hereinafter referred to, as requested in petition of said companies dated the

third day of **June 1921**

The height and dimensions of the poles on the various streets shall be satisfactory to the City Electrician, and the number of cross-arms, with the number of pins for wires on each cross-arm, and the height of the same shall be as approved by him.

The locations herein named are severally indicated upon plan furnished by said company dated **May 25, 1921** numbered **21106-21107** and filed with the City Clerk.

Poles shall be of hard pine, square at the surface of the ground, and planed and chamfered or round chestnut poles, straight, smooth-shaven, free from all blemishes and painted.

The following are the public ways or parts of ways along which the poles above referred to may be erected and the number of poles which may be erected thereon under this grant:-

Petition of the Cambridge Electric Light Company and the New England Telephone and Telegraph Company of Massachusetts for Joint or Identical Locations for a line of Poles already existing.

To the Honorable, the City Council
of the City of Cambridge:

Respectfully represent the Cambridge Electric Light Company and the New England Telephone and Telegraph Company of Massachusetts, both having locations in certain of the streets of the city, that the Cambridge Electric Light Company has heretofore received a grant of locations for and has erected in said locations a line of poles, with wires and fixtures thereto attached, along and across the public way or ways hereinafter named, and that it is desirable that said line of poles be used for the attachment of the wires and fixtures of both your petitioners.

Wherefore your petitioners pray that joint or identical locations for said existing line of poles may be granted to your petitioners, with the right to maintain wires and fixtures thereon, together with such sustaining or protecting fixtures as the business of each of your petitioners may require, said poles to be maintained substantially in accordance with the plan filed herewith marked #21106 and #21107, and dated May 25, 1921.

Your petitioners agree to reserve space for one cross-arm at a suitable point upon each of said poles for the telephone, fire and police signal wires owned by the city and used for municipal purposes.
