

RECEIVED BY
OFFICE OF CITY CLERK

Cambridge,

June 9

To the Honorable, the City Council of the

City of Cambridge:

CAMBRIDGE, MASS.

The undersigned respectfully pray

I, Sandra I. Spring-Glace, a resident of 23 Tufts St. For 5 years, hereby petition the Council of the city of Cambridge a grant of permission to set up several (2) chairs on public property (sidewalk or public park) for the purpose of solicitation of portrait drawing and painting; the clientele being any passersby who might desire to have their features reproduced through my creative endeavors.

The optimum location I would choose for myself is near the corner of Battle + Hilliard Streets in front of the Loeb Theater. Second choice would be on the Cambridge Common and third would be on Massachusetts Ave, east of Putnam Square.

This enterprise would take place Wednesday through Friday as well as Sunday from 10AM to 2PM and on Saturday from 10AM to 4PM. I respectfully request your support in this project aimed at re popularizing portraiture and thank you for your consideration.

Respectfully,

Sandra I. Spring-Glace
