

The Standard Platform Tricycle

Tricycle chassis available with your choice of 34" or 37" axle length—ideal for custom cabinet mountings. Model No. C34 or C37.

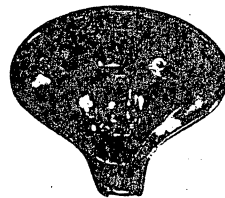

MODEL STPT

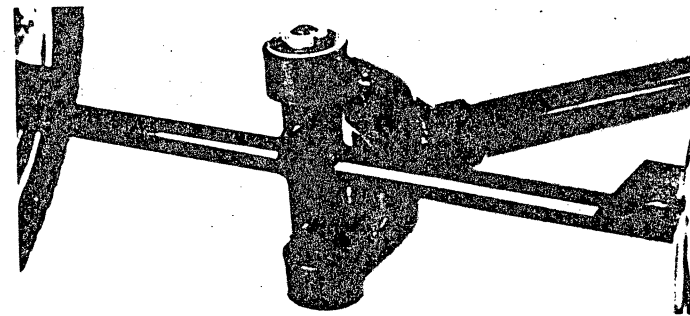

more than necessary leverage. The heavy duty clincher rim and 11 gauge spokes guarantee movement under recommended load capacity.

For stability and maneuverability, we linked a double leaf suspension system with an advanced steering control consisting of a machined steering spindle and malleable head. Both engineered for strength at stress points. For safety and comfort we use the finest industrial coaster brake assembly and a double coiled spring saddle heavily padded for extra comfort.

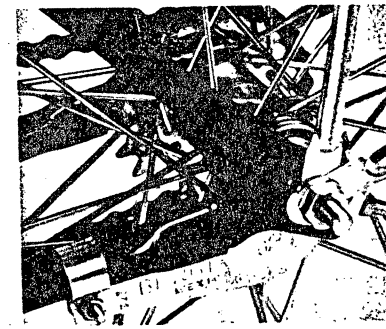

Both the STPT and Utility make an excellent supplement to your **Workman Business Cycle System** when extra heavy duty work is the order of the day or great quantities of material, equipment or commodity handling is the nature of your needs.

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

Joseph Gibbons and Gerard J. Riley hereby petition the Cambridge City Council for all licenses and permits necessary to operate a portable Coffee and Donut peddle cart (see attached photo) to go into operation as early as 1/8/91. The cart is completely mobile and will be peddled along a specified route (see attached map) between the Mass. Ave. bridge and Harvard Square between the hours of 5:30 a.m. to 11:00 p.m. concentrating on the morning rush hour of 7:00 a.m. to 11:00 a.m., Monday through Friday. The mobile cart will be moving throughout the Harvard Square area making intermediate stops of 10-15 minutes so as not to create any congestion in the square.

The cart will be constructed to meet all health department specifications, and will be selling the following items: Hot Coffee, Hot Chocolate, Tea, Donuts, Pastry and Bagels in the winter months, with the products changing depending on the seasons.

Respectfully yours,

Joseph Gibbons Gerard J. Riley
