

The Commonwealth of Massachusetts
Metropolitan District Commission

20 Somerset St., Boston

January 31, 1939.

Mr. Frederick H. Burke
City Clerk
Cambridge, Mass.

Dear Sir:

The Commission has given consideration to the possibility of flooding the Granite Street Playground, so-called, as suggested in the order of the Cambridge City Council of January 24, but the construction work on the Cottage Farm Bridge overpass, which was recently started, will require use of most of the area for storage of material and equipment while the work is going on.

The Commission has flooded an area on the other side of Memorial Drive which should be adequate for the children in the neighborhood.

Very truly yours,
