Economic Development, Manpower and Employment  
Committee Report of March 3, 1977

Enclosed is the final draft of the Affirmative Action Plan which this committee had requested at this and its previous meeting.

The committee recommends that his honor the Mayor be requested to call a public hearing at the earliest possible date so that all interested persons might have an opportunity to comment on this plan. After that process is completed, the committee would recommend that the Affirmative Action plan be forwarded to the City Council for adoption.

For the Committee,
