To the Honorable the Mayor and Aldermen of the City of Cambridge;

We, the undersigned, Citizens and tax-payers of Cambridge and residing on or in the immediate vicinity of Brattle Street, - having understood that a petition has been presented to your Honorable Board praying that edge-stones may be laid on both sides of said Street from Brattle Square to Elmwood Avenue, respectfully remonstrate against the granting of said petition, to the extent prayed for and particularly so far as it relates to that part of said Street between Elmwood Avenue and Craigie Street as involving heavy expense to the abutters not warranted by any public exigency and as threatening injury and even destruction to a large number of venerable and magnificent shade-trees, the pride and chief ornament of the Street, and we most earnestly request that nothing may be done which shall injure or disturb the shade trees now standing in or near said Street.
