

RECEIVED BY  
OFFICE OF CITY CLERK

Cambridge, March 10

1977

To the Honorable, the City Council of the  
City of Cambridge:  
CAMBRIDGE, MASS.

The undersigned respectfully pray

I am herewith applying for a permit which will allow me to display books for sale on the sidewalk in front of my store, Reader's Choice, 712 Mass. Ave. The bookcase on which these books are to be displayed will extend approximately 18 inches onto the sidewalk from the front of the store. The books to be sold will be predominantly used paperbacks and hardcovers, or bargain books of one sort or another. These are general bookstore trade books, in keeping with the quality of our in-store stock (in other words, they are not dirty books, pornography, etc.) We wish to make the bookcase a permanent feature of Reader's Choice, weather permitting.
