Dear City Councillors,

As we end our school year, we have had many discussions about all of our lessons. Some of our lessons have been easier than others but all worthwhile. We realized that "It Takes A Whole Village to Raise a Child". This led to many fascinating discussions about who the people are in our Community that help to teach us and keep us safe. You are one of those very special people. Please join us in our celebration "It Takes A Whole Village to Raise A Child" so that we can share with you some of our lessons and appreciate your care and concern about our lives.

Sincerely,

**Diane Francis-Hassett
Kindergarten Teacher
Kennedy School**

**Susan Pilleri
Assistant Teacher**
