

CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To Robert Healy, City Manager

Date June 29, 1987

From 
George Teso, Traffic Director

Reference

Subject City Council Order #14 of May 11, 1987 "Traffic Light at Miller River
Apartments and the Intersection of Gore St. and Lambert St.

The traffic signals on Cambridge St. at the Miller River apartments has been checked and is in good working order. The problem at this location is that there is a lot of vandalism especially with the pushbuttons.

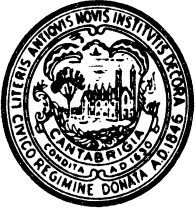

We have designed and wrote specifications for traffic signals at the intersection of Gore St. and Lambert St. and this is one of our high priorities for signal installation. We have requested funding for this installation from the State Department of Public Works and we are also looking for other ways to fund this installation.
