To The City Council of Cambridge:

A copy of the resolutions in memory of Mr. Dickinson, adopted by you so turned today has been gratefully received.

It is a great and beautiful tribute to Mr. Dickinson. I feel too deeply moved to adequately express my appreciation. I can only humbly say

"thank you" to each member of
The City Council and His Honor the
Mayor, Richard M. Russell for the
comfort these resolutions give me
and my family.

Yours very sincerely
Carrie M. S. Wickman
