Cambridge Sept 4th 1872
To the Honourable the City Council
of the City of Cambridge.

The undersigned Owners
of House and Lot No 5 on School
Street in the direct vicinity of Portland
Street as now laid out
And by the construction of the same
we shall be deprived of our house or
compelled to move the same to some
place to us unknown And entirely
depriving us of our lot taking from
us some fifteen hundred or more
feet of land leaving the remainder
of said lot in such a manner that it
is but little value to us

The Consideration for said Land and
expense of moving the house as allowed
by the Officials being only twelve
hundred dollars Therefore we
feel dissatisfied for following reasons
Viz First because there is no land near
our lot that can be bought for less
than one dollar per foot & the
compensation allowed will not purchase
for us a like amount of Land
Second ^{and} The expense of moving the house
and building the foundation will be

Wholly an expense to us
This is Our land is from one
to two feet higher grade than
most of the land in that vicinity
& therefore is worth more to us
Therefore we the undersigned Pray
your Honourable Council to View
the premises and Consider the
same and make further allowance
on the same

As in duty Bound will ever Pray
