Attention: Joe Connarton,

Dear Mr. Connarton,

As a home and business owner of property located on Western Avenue, in Cambridge, I am writing to request that the City Councilors schedule another hearing regarding the re-naming of Western Avenue. The first hearing was so poorly publicized that those of us who wish to protest did not get an opportunity to be heard.

The poll for support of the name Martin Luther King Boulevard was conducted in an unprofessional and intimidating manner, which would not have the appropriate response of neighborhood residents and owners.

As a property owner who has not received a postcard ballot addressed to the businesses located at my address, I interpret your actions to indicate no consideration of the time and expense to business in this major potential occurrence. Having a Martin Luther King School in the neighborhood is enough praise for one area.

As a taxpayer, I have no intention of allowing any increased expenses for the police department's stationery changes and other municipalities or community organizations to change their identity.

Sincerely,

The Smith Group
