Re: appointment of three constables without power & one with power.

The City Council has received a request from the
 Police Department for the appointment of three
 constables without power and one constable with
 power. The Police Department has advised that
 the current constables are nearing the end of
 their terms and that it is necessary to appoint
 new constables to maintain the level of service
 provided to the community. The Police Department
 has provided a list of candidates for each
 position and has requested that the City Council
 approve the appointment of these candidates.
