Reems
Order

64.

On Tuesday, May - 1997
Councilors Reems, Sullivan and
Galluccio had occasion to
attend the scheduled License
Commission meeting on the
second floor of the Lombardi
Building. The meeting room
was filled to capacity and
there were citizens waiting
in the lobby for matters to
be called before the Commission

Whereas:

(op)
The facilities provided by the city for regular meeting of the Science Committee are inadequate, woefully stuffy and at times overheated;

Whereas: We as a City

Council would like to provide more space a more air circulation and preferably some window ^{space} area for the Science Commission.

Restored:

The City Manager is requested to review the inadequacy of the current license commission space and determine how more space and ventilation could be provided immediately.
