WHEREAS: There are many difficulties caused by the harsh winter that we are experiencing, one of which is the degree of passability on the sidewalks of the City; and

WHEREAS: This is a very difficult problem, at times defined by people such as the elderly, who have a very difficult time shoveling or that are otherwise unable, and at times by people who ignore their responsibility; and

WHEREAS: This can cause a real problem to pedestrians with children, the elderly, and many other residents of the City; now therefore be it

RESOLVED: That the cleaning of the City's sidewalks be an issue that is worked on; and be it further

RESOLVED: That the City Council request the City Manager to confer with the DPW personnel with the view in mind of ensuring that the city sidewalks are safe and passable; and be it further

RESOLVED: That the City Council further request the City Manager to consider what support services are available for the removal of snow and ice from sidewalks including the resources offered by the Council on Aging program sponsored by the DHSP, and to evaluate as to whether any city temporary personnel might be of use in this area.
