City Hall
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Mayor Ackermann:

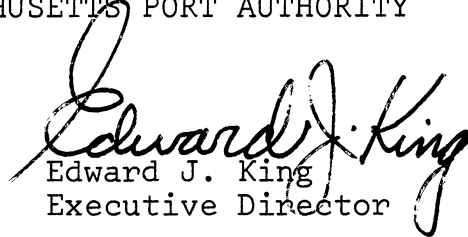

Your response to our Box 612 signal on Tuesday was most rapid, professional and reassuring to all concerned. Massport and the entire Aviation community both noticed and truly appreciated your most comforting concern as demonstrated by the promptness and amount of supporting assistance which was made available.

Just as our words are truly inadequate to address the results of this aircraft tragedy so, too, do they become inadequate in expressing what is a genuine and abiding thank you to you for your most helpful assistance.

Please accept this note, then, as our best expression of appreciation and assurance of our willingness to assist you to the limits of our ability on any need.

Sincerely,

MASSACHUSETTS PORT AUTHORITY
