Reference

Subject City Council Order No. 12 of Feb. 26, 1979 "Status of Parking
Lot on Massachusetts Avenue property next to the Ground
Round Restaurant"

I have contacted the MBTA concerning the proposed parking lot on the property next to the Ground Round Restaurant and have been informed that they are awaiting the signatures of both parties on the lease. As soon as the lease is signed we will be notified that we may proceed with the construction.

The Traffic Department has designed the lot and DPW Commissioner Conrad Fagone has informed me that he is ready to start work as soon as we get the go ahead. All indications are that the lease will be signed within the next week and work should start within two weeks. If there is any change to this schedule, I will notify you.
