

MASCO

MEDICAL AREA SERVICE CORPORATION

May 9, 1986

Cambridge City Council
City of Cambridge
City Hall
795 Massachusetts Avenue
Cambridge, MA. 02139

Dear Members:

MASCO has recently created a subsidiary named MetroBus, Inc. to operate the shuttle bus system for its member institutions.

This shuttle service had, in the past, been operated by Andre Coachlines, Inc., who held a Restricted Certificate of Public Convenience and Necessity (Certificate # 3800) from the Massachusetts Department of Public Utilities.

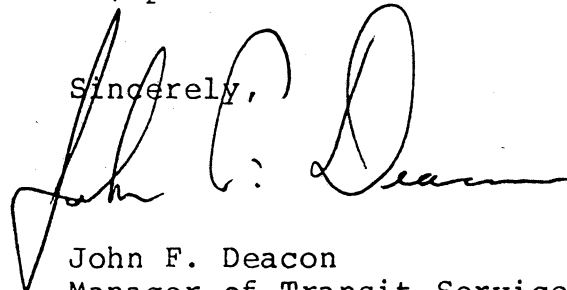

The Certificate held by Andre Coachlines, Inc., was pursuant to an agreement with the Medical Area Service Corporation (MASCO), and upon termination of the contract with Andre Coachlines, Inc., MetroBus, Inc., applied for and was granted a temporary 120 day emergency permit by the Department of Public Utilities, to continue operation of the shuttle system without interruption.

Therefore, the attached application by MetroBus, Inc. for a license to operate over certain streets or roadways under your jurisdiction does not constitute new or additional service beyond that which was previously operated by Andre Coachlines, Inc., under contract to MASCO.

The granting of a license by the City of Cambridge to MetroBus, Inc., would simply allow MetroBus, Inc. to continue operating an established shuttle service for the MASCO member institutions.

I thank you for your consideration of this matter, and, if you have any questions or concerns, please call me at 732-2318.

Sincerely,

John F. Deacon
Manager of Transit Services
