CITY OF CAMBRIDGE

IN BOARD OF ALDERMEN

To the Honorable, the City Council
of the City of Cambridge.

The undersigned respectfully remon-
strate against the widening of Watson
Street, by taking their land on the
Northerly Side of said Street, as proposed
by the Order now under consideration in
the Board of Aldermen.

They admit the right of your honorable
Bodies to take the lands of private persons
for public uses, when the public necessity
and Convenience require it, of which necessity
and convenience your honorable Bodies are by
statute made the judges: But they
respectfully represent that, in and by the
Order referred to, no compensation is made
to any of the undersigned except to George
Turnbull, to wit: the sum of 14 dollars
for 35 feet of land taken, and 500 dollars
for damage to his brick dwelling-house; -
a sum altogether inadequate.

Wherefore, he respectfully represents

that he shall claim much larger
damages of the City, if the street
shall be widened, as proposed; and
we, the others whose names are hereunto
subscribed, respectfully represent that
we shall claim damages of the City
for the land taken from us by such
widening and the injury thereby done
to our remaining land, being prepared to
prove on any proper occasion, that the
land which it is proposed to take from
us has been enclosed, as the fences now
stand, for upwards of forty years, giving
us, even if we had no other title, which
however we claim, as full and perfect
title to our said land and every part of it.
as is possessed by L. M. Hannum in and
to his land, which it is proposed to take for
said widening, and for which compensation
is made to him in and by said Order —
Cambridge, November 10. 1873.

To the Honorable, the Mayor and
Aldermen of the City of Cambridge

The undersigned respectfully pray that
Water Street may be opened at its East
end and laid out from Pearl Street
to Rockline Street in other respects sub-
stantially as heretofore used. Since Street
being in our opinion all that the public
necessity and convenience require.

~~Ordered~~

The Committee on Roads & Bridges
to which were recommitteed papers in relation
to acceptance of Watson Street with instructions
to consider the expediency of laying out said street
substantially as heretofore used and travelled, with
the exception of the line of the lot at corner of Brookline St.

Reports

That various reasons render
it inexpedient to adopt any unequal line
like that at present existing, or any line
less than that established by Ordinance
of the City. The Committee therefore
recommends the adoption of the accompanying
Order.
