Gentlemen;

On Sunday, April 6, a Walk-A-Thon will be held in your town, a Walk-A-Thon is a community activity to show concern for the problem of Birth Defects. Walkers get sponsors to pledge an amount for each mile the walker completes. The Walk will be to benefit the March of Dimes programs of Birth Defects prevention.

I would like to request the issuance of whatever permits or permission that might be necessary for the Walk.

If you have any questions regarding this matter please don't hesitate to call me at 783-4180.

Sincerely,

Judith A. Starrett
