MEMORANDUM

TO: Robert W. Healy
City Manager

FROM: Michael H. Rosenberg *MHR*
Assistant City Manager
for Community Development

RE: Schochet Associates UDAG
595 Massachusetts Avenue
Public Hearing

I am writing to request that a public hearing on the above referenced project be scheduled for the City Council meeting to be held on June 23, 1986.

As you know, we have been working with both Area Four residents and Schochet Associates over the past several months on a housing/office/retail project to be built in Central Square. In recent discussions, it has been determined that an Urban Development Action Grant (UDAG) from the U.S. Department of Housing and Urban Development (HUD) could be of great benefit in attaining many objectives desired both by the neighborhood and the developer.

To comply with HUD regulations, a public hearing that is properly advertised and noticed needs to be held prior to submission of the application which is due on July 31, 1986.

In connection with this public hearing, we expect to submit for the same meeting a resolution for consideration by City Council which would authorize submission of the application. This resolution, along with a completed application will be transmitted to you prior to the June 23 meeting.
