To the Honorable, the City Council:

With respect to Awaiting Report Item No. 2 regarding the completion of the War Memorial Pool renovations, please be advised that the work is completed with the exception of special locks for handicapped access doors. It is impractical to open the pool without the proper security provided by these locks. Delivery is expected in mid-May.

In any event, the pool will be open for the summer vacation.

Very truly yours,

James L. Sullivan
