

City of Cambridge

31.

IN CITY COUNCIL

March 4, 1991

COUNCILLOR CYR

WHEREAS: Citizens of Cambridge have a right to expect neighborhoods free of toxic chemicals; and

WHEREAS: Residents of the Cambridge Highlands neighborhood have raised concerns about toxic chemicals in that area known as the "Alewife Quadrangle;" and

WHEREAS: There is an increasing body of scientific and research data concerning this area, which once served as the Cambridge City Dump; and

WHEREAS: There has been no systematic review of the various reports, studies, and impact assessments; now therefore be it

ORDERED: That the City Manager, be and hereby is, called on to instruct the Commissioner of Health and Hospitals to reassemble the "Scientific Advisory Committee" for the purpose of collecting and reviewing the Scientific Data on toxic wastes in this neighborhood, hearing testimony from residents, and determining what, if any, problems exist; and be it further

ORDERED: That the City Manager report back to this City Council by March 18, 1991 on progress made.

In City Council March 4, 1991.

Adopted by the affirmative vote of nine members.

Attest:- Joseph E. Connarton, City Clerk.
