

City Engineer's Office,

HYDE'S BLOCK,

Cambridgeport, Dec 8th 1869.

To the Honorable The Mayor and Aldermen
Gentlemen.

The order
passed Sept. 29th directing The City Engineer
"to make such surveys, plans, profiles, and estimates,
as may be necessary to show the present condition
of the Cambridge and Brookline Bridge" has been
complied with in having completed said plans
profiles, and estimates, and, by request of the City
Solicitor submitting the result of the same, with
testimony relating thereto, to the Commissioners ap-
pointed by the S. J. Court under the Act of the
Legislature passed April 13th 1869 and now considering
the matter in accordance with the provisions of
said Act.

Respectfully Submitted

J. G. Chase
City Engineer
