Dear Mr. Healy:

I am writing because I would very much like to become a member of the Cambridge Commission for Persons with Disabilities. I currently run a vision support group of 34 people at the North Cambridge Senior Center and I also volunteer once a week for integrated foster care.

Let me tell you a little about my background. I attended the Perkins School for the Blind, Lesley College, and Emmanuel College. I graduated *cum laude* from Emmanuel College in 1945 and was inducted into Kappa Gamma Pi, an honor sorority.

After I started my family, I began to work at the Massachusetts Commission for the Blind. I thought this job would be temporary, but I actually worked there for 31 years. I began as a rehabilitation teacher and rose to the level of supervisor of multi services.

I am or have been a member of many organizations, including the Pilot Club of Boston and the BRIDGE Program of the Massachusetts Commission for the Blind. I have served on the Boards of Directors for both of these organizations. I have received several awards, including a citation from the Massachusetts Association of Legislators for excellence in outstanding public service. In addition, I have maintained my certification as a rehabilitation teacher and continue to be licensed as a social worker in the State of Massachusetts.

As my career and volunteer work demonstrate, I am dedicated to serving the community. I can think of no better way to put into action my desire to ensure that persons with disabilities in Cambridge receive the services they need than to become a member of the Cambridge Commission for Persons with Disabilities.

Thank you very much for your consideration.

Sincerely,

Adelaid Mickey
