

Cambridge, Massachusetts,
Office of the City Engineer.
City Hall.

October 2, 1929.

To the Honorable the City Council
of the City of Cambridge.

Gentlemen;-

By an order of your Honorable Board, approved
by his Honor, Mayor Edward W. Quinn, on September 28, ^{1928.} ~~1929,~~
certain estates on Chetwyn Terrace were assessed for sewer
betterments.

These assessments were based on the assessment rates for
the year 1928, but it now appears that the sewer being con-
structed in the fall of 1927, the rate for that year should
apply to the assessments in question, which rate being less
than the rate for 1928, would call for a reduction in the
amount of these assessment.

I there recommend that the assessments on the following
parcels of land located on Chetwyn Terrace be reduced by
abating the following sums.

Assessors		Supposed owner, Matilda R. Roche (wife of Charles J.)		
Plan	Lot	Assessed	Abate	Remaing Assessment
205	No. 65	\$87.41	\$28.35	\$59.06

205	No. 67	80.20	25.95	54.25

205	No. 72	74.55	24.15	50.40

Respectfully submitted,

L. M. Hastings

City Engineer.
