c/o City Clerk
Cambridge, MA

To The Hon. Cambridge City Council:

It is of critical importance that
condo eviction protections be extended to
all Cambridge residents. Keeping a segment
of the population at risk can only aggra-
vate problems at a time when healing
and economic recovery are so badly
needed.

Bob La Trémouille's bill to end
condo evictions must be passed with
all deliberate speed.

With thanks,
Sylvia Gilman
