Reference

Subject City Council Order #9 of November 21, 1977 Traffic Signal Installation
@ Monsignor O'Brien Highway and Third St.

This intersection although under the jurisdiction of the MDC is now being studied by the firm of Fay, Spofford and Thorndike along with the East Cambridge Traffic Study. This information as soon as it is ready will be given to the MDC officials for their use in signalizing this intersection as well as trying to resolve the Lechmere Square problem.

I have informed the MDC that my Department will be available to work with them in solving these problems.
