

To the Hon Mayor and Board of Aldermen of the
City of Cambridge

The undersigned would respectfully
represent that the sidewalk on the easterly side of North Avenue
from the corner of Holmes Place to near the corner of Everett St
is in a dilapidated condition requiring to be widened and raised
up to prevent the water from remaining in many places on said
walk after every rain storm thereby inconveniencing a large
number of those who frequent this thoroughfare. During the Spring
of the year so impassable is the walk that the public are
obliged to use the travel part of the street. Wherefore we pray
that the same may be widened and graded up in a proper
manner the present season.
