Technical Amendments

1. Existing Zoning

Dwelling unit. A room or group of rooms forming a habitable unit for one family, used or intended to be used for living, sleeping, cooking, and eating.

Proposed Change (original)

Amend the text of the Ordinance in Article 2.000, definitions, by changing the definition of "dwelling unit" to read as follows:

"Dwelling unit. A room or group of rooms occupied or capable of being occupied separate from any other such room or group of rooms by a family and equipped with cooking and sanitary facilities for the exclusive use of such family for living, sleeping, cooking and eating."

April 7, 1981

HONORABLE CITY COUNCIL

We the undersigned are seeking your assistance in either diverting or appropriate the necessary funds, to the Commissioner of Public Works, to make the necessary repairs in the garage and body shop, of the Public Works Building at 147 Hampshire Street, so that safe and healthy work conditions will exist.

It is outlined in reports from the State Health and Hygiene Dept., and by numerous complaints from employees that this does not EXIST.
