To The Honorable, The City Council:

In response to Awaiting Report Item No. 36, regarding resident parking on Concord Avenue between Walden and Fayerweather Streets, please be advised that the Department of Traffic & Parking's investigation found that Concord Avenue between Walden Street and Fayerweather Street is a residential area and is residentially zoned with parking only allowed along the even side.

The Traffic Department is now in the process of advertising the required regulation and will install "Permit Parking" signs the week of June 17, 1991 when the regulation becomes effective.

Very truly yours,
