Cambridge March 10. 1874

I this day served duplicate
copies of this notice on the Owners
and Occupants of Property on the
within named Linnean Street

C H Hummell

Constable of Cambridge

To the Mayor and Aldermen
of the City of Cambridge.

The Undersigned Residents of Cambridge
and owners of land abutting on Lincoln Street
respectfully object to, and remonstrate against
the widening of said Street, as proposed at the
meeting of your Board on 4th March instant,
also against laying edgestones in the Street, as
in their opinion the public safety and convenience
do not require any increased width, the Street
being now more than forty feet wide at the narrowest
point, and the destruction of trees and shrubs by said
widening and laying edgestones would be a se-
rious injury to the present attractive appearance
of the Street, and wholly unnecessary at the present
time.
