Honorable Paul D. Harold, Senate Chairman
Honorable Robert A. Vigneau, House Chairman
Committee on Local Affairs

Dear Senator Harold & Representative Vigneau:

I wish to go on record in support of H6678, 79 & 80, petitions filed by the members of Cambridge City Council and Representative Sandra Graham with respect to the numerous motor vehicle violations within the City of Cambridge.

It is the consensus of the elected officials of Cambridge to exercise its home rule petition. This will afford them the opportunity to take steps to correct the problem which the City faces on account of illegal parking. Authorizing the City to tow and impound illegally parked vehicles will not only impose the much needed regulations but will also create revenue for the successful implementation of this program.

Sincerely,

A handwritten signature in cursive script, appearing to read "George Bachrach".
