To the Honorable, the City Council,

At your request I have contacted representatives of Sasaki, Dawson, DeMay & Associates, Landscape Architects, concerning their interest in purchasing the Gordon Linen properties at 60 Aberdeen Street. Sasaki, Dawson, DeMay, & Associates certainly do not object to the proposed zone change from Business B to Business A. However, they are negotiating with the owners and do not feel it would be appropriate to commit themselves as to their position in writing at this time. Your final consideration of the zone change is not scheduled to occur until the 27th of December and hopefully at that time there will be more information to report.

Very truly yours,

John H. Corcoran
