Subject: USING Sound equipment

Please, sign this petition, in order to,
receive a permit to use sound equipment
in Central Square, Cambridge. It is necessary
to use this equipment in order to be heard,
due to the high traffic that travels through
this area:

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

I Richard A. Maxwell of 129 Franklin St.

Cambridge MA. 02139.

I've been living in Cambridge for about 15 years.

I am writing this petition to obtain a permit from the Cambridge City Council, to be able to use my sound equipment in the Central Sq area.

I have been using my sound system for about a year now without any problems. I use it to talk about GOD'S LOVE FOR ALL PEOPLE OF EVERY NATIONALITY. Until one day when, the Police told me that I had to obtain a permit if I wanted to use my sound equipment. They also told me that, it would be helpful if, the Businessess in the area would also sign a petition. It should state that they don't have a problem with me using my sound system in front of their Businesses, to preach GOD'S TRUE message of love for all people every where.

You will find a copy of that signed petition attach to this one.

I would like to request a permit to use my sound equipment from the hour of Mon - Fri 5pm - 9pm and Sat & Sun From 10AM - 2pm. Location: Conner of MASS Ave and Magazine St. In front of these Businesses that have sign my petition stating that they do not have a problem with me, at all, using my sound equipment.

Sincerely
Richard Maxwell
