Subject Request for appropriation

Boh L Blum

Sir:

I kindly request an additional appropriation of \$10,200 for the Fire Department for the following codes:

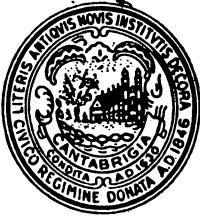

- \$9000 to D-3 Fuel, Fuel oil and steam
- 1200 to D-16 Supplies not otherwise coded

As you are fully aware of the continuous rising price of fuel oil, our D-3 account is Insufficient Funds and we now have a requisition at the Purchasing Department for 30,000 gallons of fuel oil, and steam bills for Headquarters for the balance of the year.

Also, D-16 account is exhausted and there are several bills outstanding and the need for more supplies for the stations.

Very truly yours,

William J. Cremins
