In Board of Aldermen, Dec 31. 1884

~~Ordered,~~

The Joint Special Committee appointed to confer with a Committee of the City Council of the City of Boston in the matter of the proposed new bridge across Charles River,

Reports,

That your Committee has met on several occasions with the Committee appointed by the City Council of Boston. Borings have ^{been} made in the river bottom with reference to the construction of the proposed bridge, and plans of the same have been prepared by the City Engineer the same being now before the City Council.

A report from the City Engineer, made to this Committee and giving estimates of the cost of the bridge is herewith submitted.

Your Committee recommends the adoption of the accompanying resolve, in furtherance of the project.
