

Charlestown 28 March 1887.

Edward W. Hincks.

Chairman Com.^{ee} on Roads ^{and} Bridges
of Cambridge Mass.

Dear Sir: I will supply
the City of Cambridge With 4000 linear feet
more or less, of granite edgeston, no stone of
less than six (6) linear feet, depth 18 inches,
top 7 inches, turned on back for brick, the
face to be split straight for fifty three (53) cts
per linear foot and I will deliver the edgeston
on the streets of said city when and as
often as required by the Superintendent of
Streets of said City.

James A. Colson.

28 Everett Street.

Charlestown

Mass.
