

City of Cambridge

In City Council
January 19, 1932.

WHEREAS:-

Dr. Charles S. Cahill, Chairman of the Board of Hospital Trustees has deemed it advisable by reason of business to retire as a member and chairman of the said board, it is

RESOLVED:-

That the City Council hereby records its appreciation of the unselfish devotion with which Dr. Cahill has administered the affairs of this institution. From the very beginning, two decades ago, he was a tireless worker in its upbuilding and from the original small centre building, the construction of which he personally supervised, has seen and directed the construction of two additional wings, until today it ranks with the finest Municipal Hospitals in the Country.

To carry on this work, in addition to his own practice, required a tremendous sacrifice of time and energy and this he willingly contributed for the benefit of his fellow citizens.

Public office is a public trust - never better exemplified than in the service rendered by Dr. Cahill as Chairman of the Board of Hospital Trustees and for the outstanding character of his work the City Council hereby desires that these resolutions be spread upon its records.
