Dear Sir:-

At a meeting of Citizens, held at the City Hall, last evening, to take steps towards raising funds for the relief of the St. John's, Newfoundland fire sufferers, I was authorized to appoint a committee of ten Citizens to act with me in issuing an appeal to the Citizens of Cambridge for financial assistance.

Will you kindly consent to serve as one of that committee, and if you cannot personally attend a meeting of the committee to sign the appeal, will you kindly authorize me to attach your name to the same.

Respectfully yours,

Alfred B. Alger

Dear Mr Mayor I should much prefer not to be on the Committee as I shall be absent for some time. Thanking you kindly for your notice of me I remain truly Yours D H Chamberlin
