Dear Vice Mayor Russell,

I wrote to you on December 27, 1993 to invite you to the first-ever Women's Health Gathering at The Cambridge Hospital. Since your new role in the City had not been determined yet, I did not have the opportunity to extend my warmest congratulations. You are a wonderful role model for women like myself, who were born and raised in Cambridge. We're fortunate to have you serving the City in this capacity.

At any rate, in the letter dated December 27th, I invited you to attend a women's health event that I'm coordinating with Nancy Ryan. The event is a breakfast on Tuesday, March 8th, International Women's Day, at the Macht Auditorium from 8:30 until 10:30am. We have invited 35 women's organizations and 50 of TCH's top women providers and staff will be on hand as well. We hope to encourage informal dialogue surrounding women's health issues. The RSVP rate has been excellent and it promises to be a terrific morning. We would really appreciate your attendance and participation. Barbara Ackermann suggested that I request that you bring a Council order and we'd like you to act as a hostess with Estelle Paris. Could you please let me know as soon as possible if you will be able to join us. Again, my support and good wishes for a successful term.

Sincerely,

Alison Harris
Manager, Marketing & Public Relations
