Dear Councillor Danahy,

Once again, we come to you for help in organizing the plans for the Annual Safety Patrol Banquet. I feel everyone will agree in repeating last year's party. We do not have any date or place yet, but we would like to have it again in April.

Through your efforts last year, you secured four hundred dollars for the party. This year, with rising prices, we hope, through your efforts again, you will be able to convince the City Councillors to increase the amount to five hundred dollars.

Please contact me if there are any questions.

Thank you -

Mrs. Paul A. Boudreau
