To the Honorable City Council -

An order to prevent any
cancellation in the matter of
the barrel roller accommodation

There are too many
handicapped + elderly men
+ women in the City of Camb.
who have no means of
hiring help to care for the
barrel rolling.

If funds are low as well
they may be. This council is
being ordered to make cuts
in other categories.

Respectfully

12 Snowbridge St. Miam H Kramer
Cambridge.
