O R D E R E D T H A T

WHEREAS, according to the 1975 Cherry Sheet, the Commonwealth expects to collect from Cambridge almost \$2 million more than the Commonwealth will pay Cambridge;

WHEREAS, year after year Cambridge is almost the only municipality to suffer a net deficit in its financial relations with the Commonwealth, which has added many dollars to the Cambridge tax rate; and

WHEREAS, the Commonwealth owes Cambridge over \$1.5 million for hospital bills, of which amount a half million dollars is owed under order of the Superior Court, handed down more than a year ago;

NOW, THEREFORE, BE IT RESOLVED that the City Manager is requested and directed to deduct at least the amount due Cambridge under Court order before paying any further amounts whatsoever to the Commonwealth, and to take all further actions appropriate to protecting Cambridge taxpayers against the continuing drain of our tax dollars for the benefit of the rest of the Commonwealth.

And be it further resolved:
That the City Manager be and hereby is
requested to confer with the City Council to
determine the legality of this action and
to confer with all the representatives
to the Superior Court in the event a writ
is issued to discuss drafts for legislation
to be submitted to change the present
formula which adversely affects Cambridge.
